You need to be the first to know

Cameron & Company Limited is now Cameron Partners Limited.

The new name better reflects who we are after ten years in business.

Our team of 17 professionals operate from offices in Auckland and Wellington and work with a broad client base of leading companies on transactions that matter.

Since starting in 1995 we have always pursued a business model based on long term relationships, senior people, quality advice and strong local focus.

The influence and knowledge of our senior team has ensured consistent appearances near the top of the M & A league tables.

Changing our name will not change the way we do business.

We will offer seniority and experience that few others can match.

We will continue with the independent model that allows us to provide advice and pursue our clients' interests free from the distractions of answering to owners operating multiple lines of business.

New Zealand's leading independent investment bank.

Our name has changed. Our commitment remains.

We get things done.
